NEWELL'S PLAN FOR WORK IN HAWAII

SAN FRANCISCO, Calif., Sept. 15. Frederick Hayes Newell, director of the United States Reclamation Service, civil and hydraulic engineer, and graduate of the Massachusetts Institute of Technology, arrived in San Francisco yesterday on his way to Honolulu and took a room at the St. Francis. He is accompanied by Mrs. Newell and by C. J. Blanchard. He will depart for the islands today on the transport Crook.

His mission to the islands is to examine the prospects of bringing irrigation to the dry sides of the islands and using that section for future home-seekers who will live on small holdings. All the large tracts on the west side of the islands are occupied by sugar plantations owned in big tracts.

Director Newell is the author of four books on irrigation and kindred subjects; he is secretary of the National Geographical Society, a member of the American Forestry Association and of the American Society of Civil Engineers and of the Institute of Mining Engineers.

He says that reclamation work has now progressed to a point where it is beginning to yield a profit in certain sections. Upward of \$50,000,000 has been expended by the Government on twenty-six different irrigation projects. One million two hundred and fifty thousand acres have been irrigated.

Director Newell and Resident Engineer Blanchard were entertained at a luncheon at the Bohemian Club yesterday by Rufus P. Jennings of the California Promotion Committee and several men of large interests in the State were also present.

WATERFRONT NOTES

THE PACIFIC MAIL steamer Mongolia, Captain Morton, arrived this morning from San Francisco, a little late, bringing 323 bags of mail for this place, and about 130 tons of cargo. Though she has a very good sized crowd aboard, she had a quiet trip down, with smooth weather, and few events on board. One Japanese died of cancer. She goes on her trip at 5 o'clock this afternoon. Among her passengers were Admiral Hillyday, U. S. N., and Messrs. Skiff and Newcombe of the commission to Japan in connection with the exposition of 1917.

WITH THREE American consuls aboard, en route to the Coast, the Pacific Mail liner Korea came into port yesterday afternoon from Yokohama. She sailed this morning for San Francisco, going out of the harbor at 8 o'clock, and passing the Mongolia, bound from San Francisco, off the heads. She had a number of interesting passengers besides.

THE W. G. HALL, in yesterday from Kaula, brought no sugar, only a locomotive boiler, 30 cases of pineapples and sundries. Purser Chaney reports plenty of rain on Kaula, and rough weather crossing the channel toward bound on Saturday night. The Hall sighted the schooner Ka Mo'i Saturday night heading for Koloa.

PAYMASTER BROOKE, U. S. N., formerly attached to the Honolulu Naval Station, and who left here with the Atlantic fleet as commissary officer aboard the battleship Kansas, was transferred at Sydney to the flagship Connecticut as pay officer.

THE COLLIER Saturn is still lying at the Alakea street wharf, loaded with coal, awaiting orders. Her sister ship, the Justin, arrived at San Francisco yesterday.

THE FOLLOWING SUGAR is reported on Kaula awaiting shipment: K. S. M., 1550 bags; V. K., 350; M. A. K., 15,620; G. R., 3729.

HONOKAA HAS finished shipping sugar this season, the Noeau having brought in the last of the crop.

THE MIKAHALA's freight from Molokai included 38 hogs, 164 cases of honey.

THE STEAMER MAUI brought 75 head of cattle yesterday from Kaula.

THE NIHAU brought about 50 head of cattle and 15 calves from Kaula.

THE NIHAU brought from Hawaii 2809 bags of H. S. Co. sugar.

GIANTS BEAT Y.P.C.A.

The Giants beat the Y. P. A. C. in a ten-inning game played at Atkinson Park yesterday afternoon by the close score of 4 to 3. This game was played soon after the Bulletin and Castro game, which was won by the former easily.

The Giants lined up as follows: Zane, ss; Rawlins, rf; T. Kallil, 3b; Lillikani, 1b; J. Johnson, cf; C. Souza, c; W. Kallil, lf; Ah Tai, 2b; Ping Kong, p.

The Giants have won five games out of six played since they were organized by Gomes, the Spanish interpreter, and ably assisted by Ed. Parker, the champion coach of Kaula.
